ABOUT US

Founded in 1998 by Mr. Ziad Atallah, Atcoalu specializes in the **installation and fabrication of aluminum doors, windows, gates, curtain walls, and façade systems.**

Serving both residential and commercial sectors, Atcoalu has become a leading provider of aluminum frames and architectural solutions in **Lebanon, Cyprus, and Abidjan.**

PRODUCTS, CAPABILITIES & SERVICES

Atcoalu offers **a wide range of aluminum and glass systems**, including aluminum doors and windows, curtain walls, glass façades, spider systems, glass curtains, rolling shutters (Somfy), and composite panels.

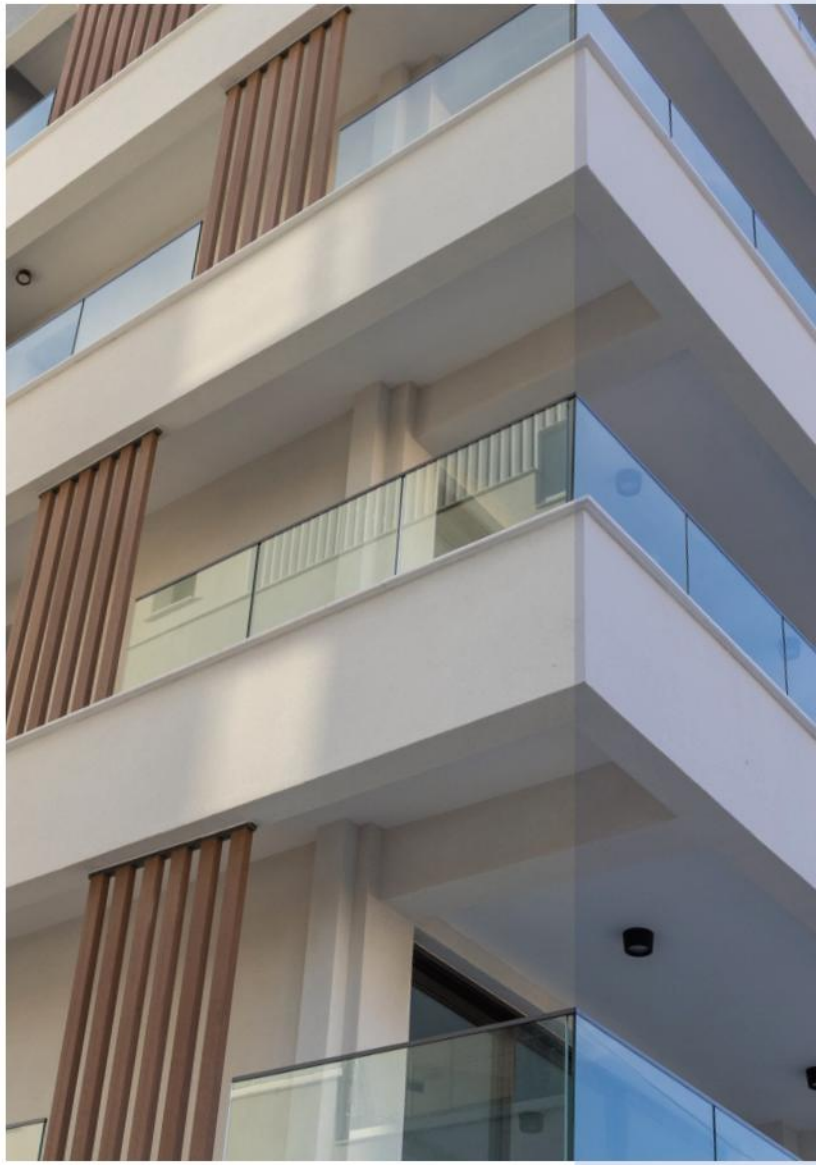

We deliver **high-quality fabrication**, precise installation, and timely project execution through a skilled team of technicians and carpenters.

Our solutions are **tailored to projects of any size**, ensuring durability, aesthetic value, and long-term client satisfaction.

MATERIALS & REGIONAL OPERATIONS

We work with top international aluminum systems to guarantee durability and performance.

- **In Lebanon,** we use materials from SIDEM, SIDEM Extrusion, SIDEM 2000, SIDEM Deluxe, Technal (GX, GXI, FX, FXI, GTI, LUMEAL, GA, SOLEAL), FY-GY, and Folda. All products follow modern production systems and strict quality standards.
- **In Cyprus,** we use Mustika, Rabel, and Alumil systems.
- **In Abidjan,** we work with Technal and Moroccan Profile Systems to meet local architectural needs.

HOW WE WORK & OUR SOLUTIONS

Atcoalu operates with a **strong team ethos and a commitment to responsibility, honesty, excellence, unity, and customer service.** We consistently integrate new technologies to advance our work in both aluminum and glass solutions.

Our aluminum systems are designed to be **flexible, versatile, and cost-effective,** while our frameless glass curtains offer **unobstructed views, folding and stacking options, and seamless transitions**—enhancing both residential and commercial spaces.

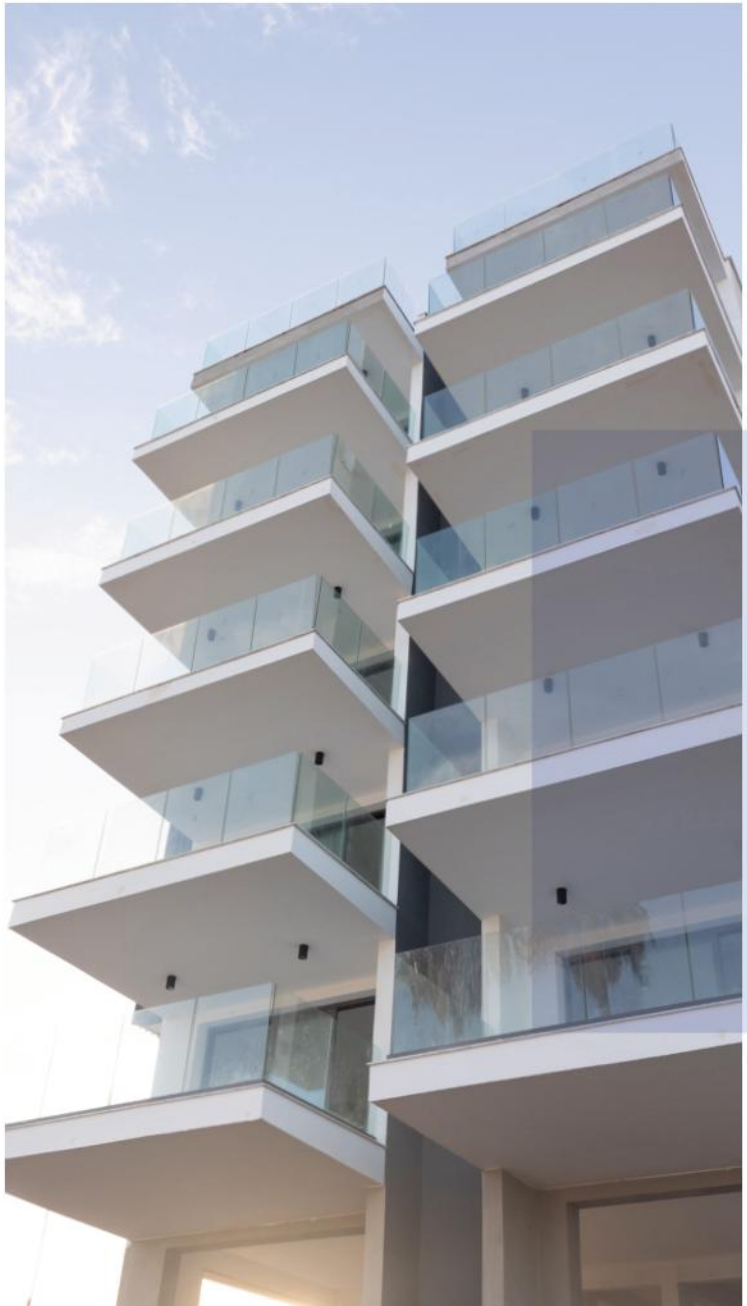

VISION, QUALITY & INFRASTRUCTURE

Our vision is to be a **leading global manufacturer and supplier of aluminum windows, doors, and curtain walls.** We achieve this by investing in innovative building solutions, expanding our global presence, and continuously developing our team.

Quality is at the core of everything we do—every product undergoes rigorous testing and can be customized to client requirements. Our integrated approach to technical planning, manufacturing, and service enables fast and specialized solutions.

Our facilities are equipped with **advanced fabrication machinery** that ensures precision, consistency, and high-performance results. Client satisfaction remains our driving force for continuous improvement.

OUR PROJECTS

Atcoalu has successfully delivered a wide range of residential, commercial, and industrial projects across Lebanon, Cyprus, and Abidjan. **Each project reflects our commitment to precision, innovative engineering, and long-lasting performance.**

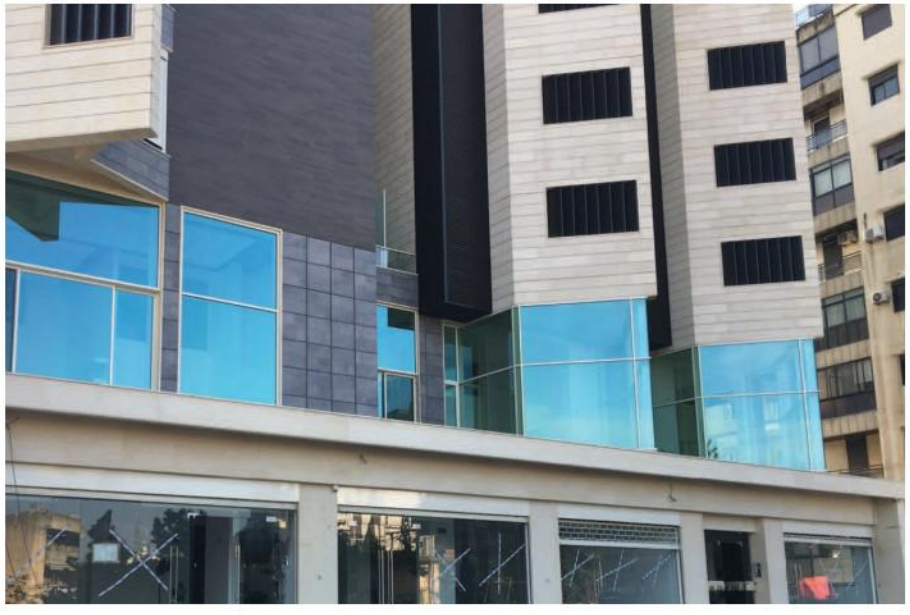

We partner closely with contractors, architects, and developers to provide customized aluminum and glass solutions that elevate the functionality and aesthetic value of every building.
